

## INDEX TO VOLUME 63

This volume of the *American Journal of Orthopsychiatry* is indexed by SUBJECTS and AUTHORS.

### SUBJECTS

#### Abortion

Emotional distress in Israeli women before and after abortion, 277

#### Adolescence

Adolescent PTSD and developmental consequences of crack dealing, 553  
Adult attachment and adult child-older parent relationships, 606  
Ethnic differences in early adolescents' coping with school stress, 633  
Paternal involvement, maternal employment, and adolescents' academic achievement: An 11-year follow-up, 306  
Role of parental variables in divorced and married families: Predictability of adolescent adjustment, 126  
Resilient adolescents and interparental conflict, 462  
Substance abuse with psychiatric illness in children and adolescents: Definitions and terminology, 70  
Suicidality in hospitalized adolescents: Relationship to prior abuse, 113  
Toward an integrated theory of adolescent ego development: The "new look" at adolescent egocentrism, 562

#### Adolescent Pregnancy

Adolescent mothers and repeated childbearing: Effects of a school-based intervention program, 572

#### Adoption

Impact of parental separation and divorce on adopted and nonadopted children, 451

#### American Orthopsychiatric Association

President, American Orthopsychiatric Association, 1993-1994, 330

#### Anxiety

Childhood family environment and sexual abuse as predictors of anxiety and depression in adult women, 136

#### Bereavement

Mental health status of Cambodian refugees ten years after leaving their homes, 223  
Reactions to perinatal loss: A qualitative analysis of the National Maternal and Infant Health Survey, 215

#### Biological Factors

Children of methadone-dependent women: Developmental outcomes, 266  
Minor congenital malformations and mental characteristics during childhood: High-risk and normal-risk groups, 472  
Mothers of children with spina bifida: Factors related to maternal psychosocial functioning, 146

#### Catastrophe/Disaster

Handling bodies after violent death: Strategies for coping, 209

#### Child Abuse/Neglect

Child maltreatment in family foster care, 589  
Childhood family environment and sexual abuse as predictors of anxiety and depression in adult women, 136  
Childhood sexual abuse and parental alcoholism: Interactive effects in adult women, 300  
Growing up with a psychotic mother: A retrospective study, 177  
Hospital staff reactions to accounts by survivors of childhood abuse, 410  
Loneliness, depression, stress, and social supports in neglectful families, 597  
Mothers of sexually abused children: Trauma and repair in longitudinal perspective, 92  
Munchausen syndrome by proxy: Diagnosis and prevalence, 318  
Protecting severely abused children: Clarifying the roles of criminal justice and child welfare, 509  
Suicidality in hospitalized adolescents: Relationship to prior abuse, 113  
Vampire as a metaphor for working with childhood abuse, 426  
Young children of schizophrenic mothers: Difficulties of intervention, 16

#### Child Care/Day Care

Benefit-cost analysis of preschool education: Findings from a 25-year follow-up, 500  
Effects of day care on preschool sex-role development, 481

#### Child Custody

Clinical typology of interparental violence in disputed-custody divorces, 190

#### Child Development/Rearing

Adult attachment and adult child-older parent relationships, 606  
Childhood play in normality, pathology, and therapy, 6  
Effects of day care on preschool sex-role development, 481  
Factors affecting Expressed Emotion in parents of ill and normal children, 103  
Growing up with a psychotic mother: A retrospective study, 177  
Impact of parental separation and divorce on adopted and nonadopted children, 451  
Impact of parental terminal cancer on latency-age children, 417  
Minor congenital malformations and mental charac-

#### Child Development/Rearing

Adult attachment and adult child-older parent relationships, 606  
Childhood play in normality, pathology, and therapy, 6  
Effects of day care on preschool sex-role development, 481  
Factors affecting Expressed Emotion in parents of ill and normal children, 103  
Growing up with a psychotic mother: A retrospective study, 177  
Impact of parental separation and divorce on adopted and nonadopted children, 451  
Impact of parental terminal cancer on latency-age children, 417  
Minor congenital malformations and mental charac-

- teristics during childhood: High-risk and normal-risk groups, 472
- Parenting in homeless families: The double crisis, 358
- Planned conception and infant functioning at age three months: A cross-cultural study, 120
- Primary prevention of parenting dysfunction in high-risk cases, 582
- Resilient adolescents and interparental conflict, 462
- Social competence and coping among children of divorce, 432
- Threat of missile attacks in the Gulf War: Mothers' perceptions of young children's reactions, 241
- Young children of schizophrenic mothers: Difficulties of intervention, 16

# Child Psychiatry

- Childhood play in normality, pathology, and therapy, 6
- Impact of parental terminal cancer on latency-age children, 417
- Mood disorders in children with oppositional defiant disorder: A pilot study, 295
- Psychosocial climate of families with suicidal pre-adolescent children, 142
- Short-term family-based residential treatment: An alternative to psychiatric hospitalization for children, 28
- Substance abuse with psychiatric illness in children and adolescents: Definitions and terminology, 70
- Toward an integrated theory of adolescent ego development: The "new look" at adolescent egocentrism, 562

# Child Welfare

- Protecting severely abused children: Clarifying the roles of criminal justice and child welfare, 509
- Reinstituting the White House Conference on Children, 334

# Chronic Mental Illness

- Federal legislation for rights of persons with mental illness: Obstacles to implementation, 518
- Growing up with a psychotic mother: A retrospective study, 177
- Mental health issues affecting homeless women: Implications for intervention, 385
- Mood disorders in children with oppositional defiant disorder: A pilot study, 295
- Sheltered care residence: Ten-year personal outcomes, 80

# Community Mental Health

- Lesbians and HIV: Clinical, research, and policy issues, 289
- Stress in immigrant families with handicapped children: A child advocacy approach, 545

# Coping

- Burdens and gratifications of caregiving: Appraisal of parental care of adults with schizophrenia, 255
- Divorced women: Individual differences in stressors, mediating factors, and adjustment outcome, 232
- Ethnic differences in early adolescents' coping with school stress, 633
- Handling bodies after violent death: Strategies for coping, 209

- Resilient adolescents and interparental conflict, 462
- Social competence and coping among children of divorce, 432

# Cross-Cultural/Sociocultural Issues

- Counseling and psychotherapy with Japanese Americans: Cross-cultural considerations, 200
- Cultural beliefs about rape and victims' response in three ethnic groups, 623
- Mental health status of Cambodian refugees ten years after leaving their homes, 223
- Planned conception and infant functioning at age three months: A cross-cultural study, 120
- Stress in immigrant families with handicapped children: A child advocacy approach, 545

# Depression

- Childhood family environment and sexual abuse as predictors of anxiety and depression in adult women, 136

# Diagnosis and Classification

- Munchausen syndrome by proxy: Diagnosis and prevalence, 318
- Substance abuse with psychiatric illness in children and adolescents: Definitions and terminology, 70

# Divorce

- Clinical typology of interparental violence in disputed-custody divorces, 190
- Divorced women: Individual differences in stressors, mediating factors, and adjustment outcome, 232
- Effect of the postdivorce relationship on paternal involvement: A longitudinal analysis, 441
- Impact of parental separation and divorce on adopted and nonadopted children, 451
- Role of parental variables in divorced and married families: Predictability of adolescent adjustment, 126
- Social competence and coping among children of divorce, 432

# Education

- Adolescent mothers and repeated childbearing: Effects of a school-based intervention program, 572
- Adolescent PTSD and developmental consequences of crack dealing, 553
- Benefit-cost analysis of preschool education: Findings from a 25-year follow-up, 500
- Ecological, interpersonal skills approach to drop-out prevention, 526
- Ethnic differences in early adolescents' coping with school stress, 633
- Paternal involvement, maternal employment, and adolescents' academic achievement: An 11-year follow-up, 306

# Ethnicity/Race/Minorities

- Counseling and psychotherapy with Japanese Americans: Cross-cultural considerations, 200
- Ethnic differences in early adolescents' coping with school stress, 633
- Institutional racism: An analysis of the mental health system, 536
- Mental health status of Cambodian refugees ten years after leaving their homes, 223

Stress in immigrant families with handicapped children: A child advocacy approach, 545

### Families

Adult attachment and adult child-older parent relationships, 606

Childhood family environment and sexual abuse as predictors of anxiety and depression in adult women, 136

Burdens and gratifications of caregiving: Appraisal of parental care of adults with schizophrenia, 255

Factors affecting Expressed Emotion in parents of ill and normal children, 103

Future in the making: Recent trends in the work-family interface, 166

Homeless families: Program responses and public policies, 400

Impact of parental terminal cancer on latency-age children, 417

Loneliness, depression, stress, and social supports in neglectful families, 597

Minor congenital malformations and mental characteristics during childhood: High-risk and normal-risk groups, 472

Parenting in homeless families: The double crisis, 358

Paternal involvement, maternal employment, and adolescents' academic achievement: An 11-year follow-up, 306

Planned conception and infant functioning at age three months: A cross-cultural study, 120

Primary prevention of parenting dysfunction in high-risk cases, 582

Psychosocial climate of families with suicidal pre-adolescent children, 142

Role of parental variables in divorced and married families: Predictability of adolescent adjustment, 126

Short-term family-based residential treatment: An alternative to psychiatric hospitalization for children, 28

Threat of missile attacks in the Gulf War: Mothers' perceptions of young children's reactions, 241

### Family Violence

Battered woman syndrome: Effects of severity and intermittency of abuse, 614

Clinical typology of interparental violence in disputed-custody divorces, 190

Family violence and homelessness: The relevance of trauma histories in the lives of homeless women, 370

Woman battering in Israel: The relative contributions of interpersonal factors, 313

### Fathers

Effect of the postdivorce relationship on paternal involvement: A longitudinal analysis, 441

Paternal involvement, maternal employment, and adolescents' academic achievement: An 11-year follow-up, 306

### Foster Care

Child maltreatment in family foster care, 589

### Homelessness

Family violence and homelessness: The relevance of trauma histories in the lives of homeless women, 370

Homeless families: Program responses and public policies, 400

Homeless pregnant women: Two generations at risk, 348

Homeless women: Economic and social issues—introduction, 337

Mental health issues affecting homeless women: Implications for intervention, 385

Parenting in homeless families: The double crisis, 358

Social and economic hardships of homeless and other poor women, 340

### Homosexuality

Lesbians and HIV: Clinical, research, and policy issues, 289

### Hospital Psychiatry

Hospital staff reactions to accounts by survivors of childhood abuse, 410

Suicidality in hospitalized adolescents: Relationship to prior abuse, 113

### Infancy

Planned conception and infant functioning at age three months: A cross-cultural study, 120

### Law/Legislation

Federal legislation for rights of persons with mental illness: Obstacles to implementation, 518

Protecting severely abused children: Clarifying the roles of criminal justice and child welfare, 509

### Marriage

Effect of the postdivorce relationship on paternal involvement: A longitudinal analysis, 441

Resilient adolescents and interparental conflict, 462

Role of parental variables in divorced and married families: Predictability of adolescent adjustment, 126

Woman battering in Israel: The relative contributions of interpersonal factors, 313

### Mental Health Care System

Clinical practice and service delivery: Getting back on track [Editorial], 164

Institutional racism: An analysis of the mental health system, 536

Protecting severely abused children: Clarifying the roles of criminal justice and child welfare, 509

### Mother-Child Relationship

Growing up with a psychotic mother: A retrospective study, 177

Mothers of children with spina bifida: Factors related to maternal psychosocial functioning, 146

Mothers of sexually abused children: Trauma and repair in longitudinal perspective, 92

Munchausen syndrome by proxy: Diagnosis and prevalence, 318

Young children of schizophrenic mothers: Difficulties of intervention, 16

### Obstetrics/Pediatrics

Children of methadone-dependent women: Developmental outcomes, 266

Homeless pregnant women: Two generations at risk, 348

Planned conception and infant functioning at age three months: A cross-cultural study, 120

Reactions to perinatal loss: A qualitative analysis of the National Maternal and Infant Health Survey, 215

# **Parent Education**

Primary prevention of parenting dysfunction in high-risk cases, 582

# **Physical Disability/Illness**

Factors affecting Expressed Emotion in parents of ill and normal children, 103

Impact of parental terminal cancer on latency-age children, 417

Lesbians and HIV: Clinical, research, and policy issues, 289

Minor congenital malformations and mental characteristics during childhood: High-risk and normal-risk groups, 472

Mothers of children with spina bifida: Factors related to maternal psychosocial functioning, 146

Stress in immigrant families with handicapped children: A child advocacy approach, 545

# **Poverty**

Family violence and homelessness: The relevance of trauma histories in the lives of homeless women, 370

Homeless families: Program responses and public policies, 400

Homeless pregnant women: Two generations at risk, 348

Homeless women: Economic and social issues—introduction, 337

Mental health issues affecting homeless women: Implications for intervention, 385

Parenting in homeless families: The double crisis, 358

Social and economic hardships of homeless and other poor women, 340

# **Pregnancy**

Homeless pregnant women: Two generations at risk, 348

Reactions to perinatal loss: A qualitative analysis of the National Maternal and Infant Health Survey, 215

# **Professional Ethics**

Clinical dilemmas: Therapists treating therapists, 34

# **Professional Training/Supervision**

Clinical dilemmas: Therapists treating therapists, 34

Hospital staff reactions to accounts by survivors of childhood abuse, 410

Perceptions of professional competence: Cross-disciplinary ratings of psychologists, social workers, and psychiatrists, 45

# **Psychotherapy**

Clinical dilemmas: Therapists treating therapists, 34

Counseling and psychotherapy with Japanese Americans: Cross-cultural considerations, 200

Vampire as a metaphor for working with childhood abuse, 426

Vulnerability-stress model of schizophrenia: Advances in psychosocial treatment, 55

# **Research**

Research: The latest magic wand [Editorial], 4

# **Residential Treatment**

Sheltered care residence: Ten-year personal outcomes, 80

Short-term family-based residential treatment: An alternative to psychiatric hospitalization for children, 28

# **Schizophrenia**

Burdens and gratifications of caregiving: Appraisal of parental care of adults with schizophrenia, 255

Vulnerability-stress model of schizophrenia: Advances in psychosocial treatment, 55

Young children of schizophrenic mothers: Difficulties of intervention, 16

# **School Mental Health**

Ecological, interpersonal skills approach to drop-out prevention, 526

Ethnic differences in early adolescents' coping with school stress, 633

# **Sexual Abuse/Incest**

Childhood family environment and sexual abuse as predictors of anxiety and depression in adult women, 136

Childhood sexual abuse and parental alcoholism: Interactive effects in adult women, 300

Cultural beliefs about rape and victims' response in three ethnic groups, 623

Mothers of sexually abused children: Trauma and repair in longitudinal perspective, 92

# **Social Behavior**

Effects of day care on preschool sex-role development, 481

Loneliness, depression, stress, and social supports in neglectful families, 597

Social competence and coping among children of divorce, 432

# **Social Policy**

Federal legislation for rights of persons with mental illness: Obstacles to implementation, 518

Future in the making: Recent trends in the work-family interface, 166

Homeless families: Program responses and public policies, 400

Homeless women: Economic and social issues—introduction, 337

Lesbians and HIV: Clinical, research, and policy issues, 289

Protecting severely abused children: Clarifying the roles of criminal justice and child welfare, 509

Reinstituting the White House Conference on Children, 334

Research: The latest magic wand [Editorial], 4

# **Social Support/Networks**

Mothers of children with spina bifida: Factors related to maternal psychosocial functioning, 146

Social and economic hardships of homeless and other poor women, 340

### **Stress/Trauma**

Adolescent PTSD and developmental consequences of crack dealing, 553

Divorced women: Individual differences in stressors, mediating factors, and adjustment outcome, 232

Emotional distress in Israeli women before and after abortion, 277

Family violence and homelessness: The relevance of trauma histories in the lives of homeless women, 370

Handling bodies after violent death: Strategies for coping, 209

Mental health status of Cambodian refugees ten years after leaving their homes, 223

Threat of missile attacks in the Gulf War: Mothers' perceptions of young children's reactions, 241

Vulnerability-stress model of schizophrenia: Advances in psychosocial treatment, 55

### **Substance Abuse**

Adolescent PTSD and developmental consequences of crack dealing, 553

Childhood sexual abuse and parental alcoholism: Interactive effects in adult women, 300

Children of methadone-dependent women: Developmental outcomes, 266

Substance abuse with psychiatric illness in children and adolescents: Definitions and terminology, 70

### **Suicide**

Psychosocial climate of families with suicidal pre-adolescent children, 142

Suicidality in hospitalized adolescents: Relationship to prior abuse, 113

### **Violence**

Handling bodies after violent death: Strategies for coping, 209

Mental health status of Cambodian refugees ten years after leaving their homes, 223

Threat of missile attacks in the Gulf War: Mothers' perceptions of young children's reactions, 241

### **Women**

Battered woman syndrome: Effects of severity and intermittency of abuse, 614

Childhood family environment and sexual abuse as predictors of anxiety and depression in adult women, 136

Childhood sexual abuse and parental alcoholism: Interactive effects in adult women, 300

Divorced women: Individual differences in stressors, mediating factors, and adjustment outcome, 232

Family violence and homelessness: The relevance of trauma histories in the lives of homeless women, 370

Homeless women: Economic and social issues—introduction, 337

Lesbians and HIV: Clinical, research, and policy issues, 289

Mental health issues affecting homeless women: Implications for intervention, 385

Social and economic hardships of homeless and other poor women, 340

Woman battering in Israel: The relative contributions of interpersonal factors, 313

### **Work**

Future in the making: Recent trends in the work-family interface, 166

Paternal involvement, maternal employment, and adolescents' academic achievement: An 11-year follow-up, 306
